

# HEAVY MENSTRUAL BLEEDING PATHWAY

## REFERRAL AND FUNDING PROCESS (Counties Manukau)

Counties Manukau GPs who have undergone credentialing in pipelle sampling may access funding for the assessment and treatment of women under the CMH (Counties Manukau Health) Heavy Menstrual Bleeding pathway. Refer to the full Auckland regional clinical pathway for Abnormal Uterine Bleeding – [www.healthpointpathways.co.nz](http://www.healthpointpathways.co.nz)

### QUESTIONS?

For claiming or administration queries, contact POAC

(09) 535 7218

[poac@easthealth.co.nz](mailto:poac@easthealth.co.nz)

For clinical support, phone On-Call Gynaecology Senior Medical Officer

(09) 276 0000

### CLAIMING

The following is claimable through the POAC system. Submit claim and outcome (in normal way) to close the episode. Phone (09) 535 7218 or email [poac@easthealth.co.nz](mailto:poac@easthealth.co.nz) for any claiming or process queries.
