

# Zoledronate Infusion Subsidy Scheme

## Information for Approved Infusion Centres

CMDHB will subsidise the administration of Zoledronate [upon application](#) by their GP, for patients who fulfil specified criteria. The subsidy is claimable for Zoledronate administered by GPs at their rooms, or by an [Approved Infusion Centre](#) upon GP referral.

### Applications

Written applications to become an **Approved Infusion Centre** can be made by completing the **application form** and post, fax or email:

#### Zoledronate Infusion Subsidy Scheme

PO Box 38 248

Howick

Auckland 2145

**Email:** [zoledronate@primaryoptions.co.nz](mailto:zoledronate@primaryoptions.co.nz)

**Fax:** (09) 535 7154

### Criteria

Approved providers must meet the below criteria:

- a. **Clinic Accreditation Requirements:**
  - *Cornerstone Accreditation or*
  - *NZS 8151:2004 Accreditation*
- b. **Staff training Requirements:**
  - *Intravenous certification and*
  - *Attendance at an approved Zoledronate Infusion training course.*

### Subsidy

The total amount claimable under this scheme is \$80 incl GST

The expectation is that any surcharge over and above this subsidy will not exceed a standard consultation fee.

Invoices must include the Zoledronate Infusion Subsidy Scheme Voucher No. which will have been provided to the referring GP.
