

eNotification form for COVID-19 consultations

Access HealthLink (CareConnect) via your PMS and select 'Auckland Regional Public Health Notification' as the service

The screenshot shows the HealthLink (CareConnect) interface. At the top, there is a menu bar with options like File, Home, Patient, Account, Tools, Utilities, Reports, ManageMyHealth, ConnectedCare, CBIT, Widgets, Dynamic Integrations, and Help. Below the menu is a toolbar with various icons for patient management, appointments, and notifications. The main area displays patient information for 'MOUSE, MISS Mindy (225513.4)' and a search for 'Auckland Regional Public Health Notification'. A dropdown menu lists various services, with 'Auckland Regional Public Health Notification' highlighted. To the right, there is a 'Referred for*' field and an 'Update Referral' section with instructions and a list of reasons for update.

Scenario One – patient discharged home with no swab
